Assessment cases, the processing of Assessment folders, the preparation of Assessment notices, the distribution and dissemination of all incoming and outgoing correspondence, the supervision and control of all Assessment files, etc. (See job description, administrative assistant/psychometrist, Assessment Staff, slot no. 5, 22 March 1950, especially section 2, paragraphs a, d, l, and n).

e. When called upon to do so by the statistical analyst, operates the IBM scoring machine.

f. Under direction from the Chief, Assessment Staff, is responsible for maintaining an up-to-date list of American psychologists possibly available for Assessment or CIA employment. In addition, she maintains two other lists of psychologists: (a) A list of psychologists who have been rejected for employment, to guarantee that they will not subsequently be employed. (b) A list of psychologists who are qualified but who are not at present interested in Assessment or CIA employment; this latter list is extremely valuable in time of war.

g. Serves as a participant in situation testing and writes individual reports as the result of her observations.

h. When temporary and emergency clerical assistants are assigned to the Assessment Staff, she briefs, trains, and supervises them on stenographic and clerical duties.
